

High Quality - Touring Car Setup System Bag

HARD

HARD9003 - Touring Car Setup System Bag

When HARD decides to make a tool bag for Touring Car Setup System you can count on it being something special ! The HARD Touring Car Setup System Bag is without a doubt the most complete, most high quality and most stylish tool bag available anywhere.

Special attention has been pointed at making the bag as compact as possible to save space while taking extra care that the setup system is safely stored.

The same high quality protective material has been used for the middle part that separates the two sides of the bag and the elements from each other to make sure there is no risk of damaging them.

Features:

- Lightweight and compact
- Special mesh Styrofoam design
- Transparent slot for name tag
- Hold up many setup systems
